A Brief History Of Massage

Massage is considered to be among the oldest of all treatments used by man. Chinese records dating back three thousand years documented its use. Today, massage is an accepted part of many physical rehabilitation programs and has proven beneficial to many chronic conditions such as low-back pain, arthritis, and bursitis.

Employment ... expected to grow faster than average

A New Career:

If you genuinely care about people and want to help others enjoy a better quality of life, massage therapy may just be the career for you.

Hands-On Therapeutics Massage School is the school of choice for anyone who is serious about a career in massage therapy.

At Hands-On Therapeutics Massage School, we are dedicated to training that maximizes massage therapy's positive effects as well as promotes continued growth and development of the profession. Hands-On Therapeutics Massage School offers a comprehensive, academically challenging hands-on educational program. The school strives to provide resources, support service and activities conducive to a well-rounded educational and nurturing environment.

Compare:

EXPERIENCE: Hands-On Therapeutics' Instructors have more than 50 combined years experience in the field of massage and more than 40 combined years experience teaching massage.

CREDENTIALS: Hands-On Therapeutics is recognized by the Tx. Dept. of State Health Services, Wichita Falls Chambers of Commerce.

QUALITY: Hands-On Therapeutics is striving to have a very high pass rate at State Board.

CONVENIENCE: Hands-On Therapeutics offers a variety of schedules and training programs that will fit your needs.

COST: Hands-On Therapeutics Massage School is comparably priced and offers discounted rates plus free financing.

Student Services:

We consider our school to be one of the most user friendly, student oriented schools in the state. We keep our class sizes small enough to provide the one-on-one attention that each student deserves and to also maintain a family atmosphere.

Hands-On Therapeutics Massage School offers help with employment. Although we cannot guarantee job placement, we take an active role in the employment process by helping to review and create resumes.

The graduate packet students receive upon graduation contains many of the necessary documents that may be required for getting started in their own business. This includes forms for client health history and documentation.

Subjects Taught:

Massage Theory (200 hours)

Anatomy (50 hours)

Physiology (25 hours)

Health & Hygiene (20 hours)

Hydrotherapy (20 hours)

Business & Ethics (45 hours)

Pathology (40 hours)

Kinesiology (50 hours)

Internship (50 basic or 120 hours Master program)*

*Our Master Massage Therapy training program enhances your skills by allowing more hands-on training time.
